MANIPUR JUDICIAL ACADEMY

VISION STATEMENT:

Manipur Judicial Academy is all about imparting formal Judicial Training to Judicial Officers mainly to equip them not only with Legal Knowledge and Judicial skill but also to transform their attitudes towards impartiality, integrity and ultimate excellence.

Besides, the Academy has also been engaging in conducting suitable training Programmes to Prosecutors, young lawyers, Police Officers and other stakeholders with a clear objective to develop their skills in the respective areas of their services to humankind.

The importance of Judicial training seems to be even greater today than it was before because we are in such an age that has been experiencing rapid changes in the social set up. It is also apparent that changes as such insisted on having Judicial competency in all aspects as everyone has fairly assumed that judiciary must share the passion for social changes and contribute its sincere effort in rendering Justice to all.
